

Outdoor sauna rooms with beautifully lacquered walls and high enduring asphalt roof, resist well the severe weather conditions. They are at their best when placed near swimming pools or bathing facilities.

Did you know that sauna

- Revitalizes body and mind
- Relieves stress and tension
- Flushes impurities and toxins from the body
- Improves blood circulation

When purchasing sauna or steam room from Sawo, our experts will guide you with their use. We provide you the superior after sales service throughout the Philippines, which only the local factory can.

SAWO is the Finnish sauna and steam room specialist operating worldwide. We are a wholesaler of sauna products, and the leading sauna manufacturer in the world. Our world-famous SAWO sauna products are already exported to over 70 countries. Now we have expanded our operations nationwide to Philippines.

We have two sauna manufacturing plants in Cebu, with skillful personnel managed by Finnish experts. Our export quality sauna and steam rooms, and other sauna products and accessories, can now be delivered to you directly from Cebu.

We customize sauna and steam rooms according to your wish.

SAWO have different sauna rooms readily available in many dimensions (see layouts). These rooms are built by your choice of Cedar, Aspen, Spruce, Heat treated wood or Pine. You can also have a sauna with the combination of these wood.
